**BIOGRAPHIES OF NEW MEMBERS APPOINTED,
REAPPOINTED TO APPRENTICESHIP AND CERTIFICATION BOARD**

Harvey Miller (Winnipeg) for reappointment as chair to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2024.

Miller is the past president of the Merit Contractors Association of Manitoba and currently serves as the chair of Manitoba's Apprenticeship and Certification Board. He holds a master of psychology from the University of Victoria as well as a bachelor of arts from the University of Winnipeg.

Laura (Lori) Garett (Winnipeg) for reappointment as vice-chair and public interest representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2023.

Garett is the owner/president of North Perimeter Construction Ltd. Registered professional engineer with Engineers Geoscientists Manitoba and a member of the Metal Building Contractors and Erectors Association. Garett is also a member of Manitoba Women in Construction and Philanthropic Educational Organization, an organization that supports women's educational goals. She holds a bachelor of science with a focus in civil engineering from the University of Manitoba and a diploma in business administration and management from Red River College.

Carol Paul (Winnipeg) for reappointment as employer representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2024.

Paul is the executive director at the Manitoba Construction Sector Council. She is a member of the Apprenticeship and Certification Board, has an industry academia partnership with the University of Manitoba and a community liaison officer with the Canadian Forces Liaison Council. Paul holds a bachelor of education from the University of Manitoba, is a certified essential-skills profiler from Bow Valley College and has a master of adult education from the University of Manitoba.

Ashley Weber (Winnipeg) for appointment as an employee representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2024.

Weber obtained her red seal as a motor vehicle body repairer in October 2020 and was the highest achievement award winner for her trade. She is a two-time gold medalist at the provincial and national skills competitions and competed at the world skills competition in Abu Dhabi. She has been featured in articles for excelling in a non-traditional trade for women.

Adam Morin (Winnipeg) for appointment as an employee representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2023.

Morin is a business representative with Operating Engineers Training Institute of Manitoba Local 987. He is the current chair of Crane Provincial Advisory Committee. Morin holds a labour relations and workplace studies degree from the University of Manitoba and a trust fund management certificate.

Shawn Henry (Winnipeg) for appointment as an employee representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2022.

Henry obtained his red seal as a plumber in 2005. He is currently a director at large, and government and industry relations committee chair on the Mechanical Construction Association of Manitoba (MCAM) board. Henry provides a union and non-union perspective to the board through his work, and also provides representation for MCAM, which represents numerous stakeholders.

Davide Novo (The Pas) for appointment as an employee representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2023.

Novo is a fixed operations manager for Twin Motors Ltd. He is the chair of The Pas Families Building a Better Community Inc., equipment manager with The Pas Minor Hockey Association and vice-chair of The Pas Community Renewal Corporation. Novo holds an automotive technician interprovincial red seal from Red River College and an automotive technician certification from Red River College.

Donald Mackenzie (Lac du Bonnet) for appointment as employer representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2023.

Mackenzie has experience spanning over 30 years in the field of civil engineering technology. He was the senior partner for Templeton Engineering, where he was responsible for preliminary geo-services and project management for the over-all management of concrete, aggregates and asphalt testing. His past work experience includes being the vice-president, general manager and partner at Subterranean Canada Ltd. He has served as president and CEO of the Pan American Games as well as past-chair for the Province of Manitoba Sports Policy Committee.

Richard Korving (Winnipeg) for appointment as employer representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2024.

Korving is a partner and vice-president at Randall Plumbing and Heating Ltd. He served on a number of committees with the Mechanical Contractors Association of Manitoba including the service contractors committee, the government industry relation committee and the education committee. Korving holds a journeyperson certificate of qualification from Red River Trades College.

Darryl Harrison (Winnipeg) for appointment as employer representative to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2022.

Harrison is the director of stakeholder engagement and advocacy at Winnipeg Construction Association and the owner and general manager at Melaine Services Inc. Harrison serves as a member on the Manitoba Construction Sector Council. He holds a master of science in agricultural economics and a bachelor of science in agri-business both from the University of Manitoba. Harrison is certified in hydronic heating design from the Northern Alberta Institute of Technology.

Kevin Poirier (Brandon) for appointment as training provider to the board.

Effective date: Dec. 15, 2021, for a term to expire June 30, 2023.

Poirier is an associate dean with the School of Trades for Assiniboine Community College. Poirier is a licensed gasfitter from Red River College, a certified journeyperson plumber from Red River College (RRC), a fourth-class power engineer from Assiniboine Community College, a licensed backflow-prevention specialist from RRC, and is a certified home inspector. He also has an adult education certification from RRC and an adult education degree from the University of the Fraser Valley.
